### **1. INDEPENDENT CONTRACTOR**

In the performance of this Agreement, SUPPLIER will be acting as an independent contractor and will not be acting as an agent, employee, servant, joint venture, or partner of BUYER. SUPPLIER will select, hire, and fire its own employees, agents, servants, and suppliers and will be responsible for paying all compensation and wages and paying and reporting all employment taxes. SUPPLIER will be solely responsible for supervising its employees and suppliers and shall have exclusive control of the means, methods, techniques, and procedures used in performing this Agreement. BUYER will have no right to control or supervise SUPPLIER'S work practices or employees or suppliers or the hours worked. SUPPLIER will be responsible for providing, maintaining and repairing all tools, vehicles, machinery, and equipment needed in the performance of the Agreement. The requirements of this Agreement apply fully to SUPPLIER's agents, employees, contractors, suppliers, and all others working on behalf of SUPPLIER.

### **2. TERM**

This Agreement shall begin upon the date first above written and will continue until terminated by either party upon giving thirty (30) days written notice to the other party. The parties hereto agree that any prior Master Supply Agreement by and between the parties is hereby terminated effective as the date hereof without further notice required.

### **3. WARRANTY OF GOOD TITLE**

SUPPLIER warrants and covenants that it has good, merchantable title to the wood fiber being sold to BUYER hereunder, that it has good right to sell and convey the same, that the wood fiber is free from all encumbrances, and that the SUPPLIER will warrant and defend the same to BUYER against the claims of all persons.

### **4. SPECIFICATIONS**

SUPPLIER will be responsible for obtaining information on BUYER specifications for BUYER's facility to which the wood fiber is being delivered prior to delivery. BUYER shall have the right to make deductions for any products not meeting specifications. BUYER may dispose of any non-conforming products in any manner it chooses without being required to hold the materials for SUPPLIER'S inspection.

## 5. RECEIVING

All wood fiber delivered hereunder by SUPPLIER shall be scaled or weighed by BUYER, or its contractors or designee, based on bone-dry tons, upon acceptance at the delivery point. The quantity of wood fiber delivered hereunder shall be measured in Bone-Dry Tons which for the purposes hereof, is that quantity of wood fiber which contains 2,000 pounds of bone-dry wood solids determined as follows:

With respect to truck deliveries, BUYER will, at its wood fiber unloading facilities, determine the weight of each truckload of wood fiber (in pounds) and deduct the tare weight. The green weight so determined shall be multiplied by a factor representing the bone-dry content of the green wood fiber and the result thereof will be divided by 2,000 to arrive at the Bone-Dry Tons of wood fiber in each truckload. The bone-dry factor will be determined by BUYER by representative moisture samples.

## 6. PAYMENT

BUYER or its designee shall pay for wood fiber cut and hauled, and/or received and accepted hereunder net thirty (30) days from weekly settlement date (unless otherwise agreed in writing between Buyer and Supplier) and shall provide SUPPLIER with full settlement detail of all wood fiber receipts. In the event any subsection or subpart, or any portion of any subsection or subpart, is adjudicated to be unenforceable or void, it is the intent of the parties hereto that the court sever as little language of this Agreement as is possible and leave as much language as is possible to uphold the intent of the parties hereto to provide broad indemnification to the Buyer Indemnitees. Such severance of terms shall be in conformity with the other provisions of this Agreement.

## **9. DUTY TO DEFEND**

Supplier's agreement to defend Buyer from Claims that arise in connection with Supplier's activities onsite is an absolute condition to performing work for Buyer. Buyer shall give notice to Supplier within ten (10) days after receiving notice of the commencement of any claim or legal action for which Buyer seeks indemnification and defense. Buyer's failure or delay in giving such notice will reduce Supplier's liability only by the amount of damages directly attributable to such failure or delay. Supplier shall not settle or compromise any claim or legal action without Buyer's written consent. Buyer may at its expense participate in the defense of any such matters, but such participation will not limit or affect Supplier's obligations under this Agreement.

SUPPLIER acknowledges that BUYER is a participant in the Sustainable Forestry Initiative® (SFI), Programme for the Endorsement of Forest Certification (PEFC/29-31-216) (PEFC), and Forest Stewardship Council® (FSC-C104002) (FSC) programs, and desires to comply with the applicable Chain of Custody and Controlled Wood standards to enable BUYER to make certain claims and to use appropriate on-product labels with respect to SFI®/PEFC and/or FSC® certified products sold by BUYER manufactured from wood fiber supplied by the SUPPLIER to BUYER.

SUPPLIER hereby certifies that all wood produced and delivered under this Agreement will be done in conformance with applicable Forestry Best Management Practices and applicable SFI or FSC standards. SUPPLIER shall have each logging crew it operates under the direction of an individual with on-site responsibility, who has completed the logger education program recognized by the SFI Implementation Committee (SIC) in the state(s) in which the SUPPLIER operates. SUPPLIER shall keep evidence of such conformance during the term of the Agreement, which should include copies of education certificates and any other appropriate evidence of conformance.

SUPPLIER agrees to cooperate with BUYER established chain of custody procedures. In addition, when delivering wood from FSC/SFI/American Tree Farm System® (ATFS) certified sources, SUPPLIER agrees to:

- II) not mix or substitute non-FSC/SFI/ATFS certified wood material with wood shipments identified as 100% certified; and
- III) participate in BUYER monitoring procedures to trace FSC/SFI/ATFS certified content from the forest to mills.

SUPPLIER agrees not to supply wood fiber from forests converted from natural forests to plantations or non-forest use unless the wood fiber originates from "limited and legal sources" (as defined by FSC and PEFC) and the conversion does not threaten High Conservation Values.

SUPPLIER agrees to assist BUYER and its auditor/accreditation body as part of BUYER'S certification audit requirements which may include visits to SUPPLIER'S facilities, harvesting operations and access to information such as tree species and location of harvest area. SUPPLIER will assist in providing information for the purpose of validating the BUYER'S FSC, PEFC, and SFI due diligence systems. SUPPLIER agrees to notify BUYER of any changes that may affect a risk designation

or the mitigation of risk, such as a change in species, or supply chain.

For wood fiber delivered directly from the forest to a BUYER facility:

SUPPLIER agrees to identify the state and/or county/parish of origin for each load of wood fiber delivered to BUYER facilities.

For wood fiber delivered from a "fixed facility" (e.g., roundwood from a woodyard, chips/sawdust from a sawmill or chip mill): SUPPLIER agrees that wood fiber supplied to BUYER originates from within the designated area on the WestRock Pacific Northwest Fiber Sourcing Area Map attached hereto as Exhibit A. SUPPLIER agrees to notify BUYER regarding changes in SUPPLIER'S procurement territory prior to extending beyond the designated area. SUPPLIER shall maintain evidence of the origin of the wood fiber supplied to BUYER and upon request supply copies of this evidence to BUYER'S auditor/accreditation body, and support BUYER in collection of information needed to implement control measures in cases where wood fiber originates from specified risk areas (as defined by FSC).

## **15. VIOLATIONS**

Any violation of law or of any provision of this Agreement alleged or committed in connection with the performance under this Agreement by SUPPLIER, SUPPLIER's employees, subcontractors, agents, and/or representatives shall entitle BUYER to cancel and rescind this Agreement upon five days' written notice.

If a party believes that any one or more of the above occurrences or events shall cause a delay or prevent its performance hereunder, it shall promptly notify the other in writing of such fact.

## **17. GOVERNING LAW AND VENUE**

## **18. DISPUTE RESOLUTION**

In the event of any disputes, claims and other matters in question between SUPPLIER and BUYER arising out of the terms and conditions of this Agreement and the performance of either party hereunder, the parties shall attempt in good faith to resolve such matter promptly prior to initiating any litigation.
